## ARTA Retiree Benefits Plan Effective November 1, 2018

The ARTA Retiree Benefits Plan is a member-based plan available to ARTA members in good standing. To find out how to become an ARTA member or for information about how to enrol for coverage in this plan, please contact us. You will find our contact information on page 8 of this brochure or at [arta.net](http://arta.net).

There are a number of voluntary benefit options available to you through the ARTA Retiree Benefits Plan; please review this document carefully to ensure you choose the plan that best suits your needs. The Health and Dental Plans renew automatically on November 1 every year.

To be eligible for coverage under the ARTA Retiree Benefits Plan, you must apply for and participate in all public health and drug plans for which you are eligible, as ARTA's Extended Health Care is second payor to any national, provincial or territorial plan.

### For Detailed Information, See the Plan Text

For complete plan details and benefit provisions, please refer to the Plan Text located at [arta.net](http://arta.net). You can find the Plan Text by clicking on Benefit Forms and Documents under the Member Services menu.

### ARTA Retiree Benefits Plan Membership Requirements

To participate in the ARTA Retiree Benefits Plan, you must be:

- a member in good standing with ARTA,
- a permanent resident of Canada, and
- enrolled in all provincial or territorial health care plans for which you are eligible (e.g., in Alberta, this would include Alberta Health Care and Alberta Coverage for Seniors, if you or your spouse are age 65 or older; in British Columbia, this would include the Medical Services Plan of BC and the BC Fair PharmaCare Plan).

Alberta residency is not a requirement for coverage; however, all benefits are subject to Alberta pricing.

Coverage is also available to the surviving spouse of an eligible member.

If you have membership eligibility questions, please contact the ARTA head office at 1-855-212-2400.

### Dependants

This plan allows you the flexibility to choose single, couple or family coverage. Couple coverage may include you and your spouse, or you and a dependant child.

For more information, please refer to the dependant eligibility section in the Plan Text located at [arta.net](http://arta.net). You can find the Plan text by clicking on Benefit Forms and Documents under the Member Services menu.

### Enrolment

You are automatically eligible to enrol in an Extended Health Plan with emergency travel (Total or Ultimate Health plans), if ARTA receives your application within 60 days of termination from an employer-sponsored group benefits plan (either as an employee or eligible dependant). After 60 days, applications require medical evidence of insurability and you may be denied coverage. Your ARTA Retiree Benefits Plan coverage starts the day after your current coverage terminates.

### **Premiums are payable from the date your ARTA Retiree Benefits Plan coverage begins, regardless of the date your application is received.**

If you wish to apply for Total or Ultimate Health more than 60 days after your employer-sponsored benefit plan terminates, you must complete a medical questionnaire to determine eligibility. Coverage will begin the date your application is approved. Please contact an ARTA benefit plan coordinator at 1-855-444-2782 to obtain an evidence of insurability form.

If you wish to enrol in a dental plan more than 60 days after your employer-sponsored group benefits plan terminates, your maximums will be pro-rated based on the current calendar year. For example, if you enrol in dental coverage in July, your maximums will be pro-rated by 50%, or \$400 of the \$800 maximum.

Your benefit package will be sent to you via email. If you wish to have your benefits package sent by mail, please indicate this on our enrolment form. Once you are successfully enrolled, your ID card will be available on the ARTA Members Health Care Account.

### **EFFECTIVE DATE OF COVERAGE IF YOU ARE TRAVELLING**

If you are not in your province of residence on the date your coverage is effective, the 92-day emergency travel coverage begins the date you left your province of residence. For example, if your coverage is effective May first but you left for Mexico on April first, your 92 days start on April first and you will have emergency travel coverage until July second.

You are welcome to purchase supplemental travel insurance for single trips longer than 92 days. See page four for details.

Coverage for extended health (not including emergency travel) and dental begins on the date you return to your province of residence.

## Premium Payments

Bank deductions are withdrawn on the 10th of each month for coverage during the current month. For example, January 10 deductions are for January coverage.

Provincial sales tax is added to your premiums where required by law.
